

Subject: Yuri PIROGOV ~~SECRET~~
1010 W Green St. Urbana, Ill
Source: Kalya Pomirko

Date: 20 Feb. 1965

Subject is Ukrainian of Kharkov, postgraduate specializes in ceramic engineering; at U of Illinois.

K speaks of him as a non-descript character, who looks as if he "just got off the boat". He was sporting a thick mane of hair for a couple of months when he first came to Illinois. The girls commented on it, and he seemed offended ("what's wrong with my hair?") but recently had it trimmed short, American college style.

K met P at the party early in Oct., 1964. The following day he was in the lounge ^{of his room} and became suspicious when K also appeared there. He started asking her questions: whether she lived there also, how long, in what room, etc.

K noticed that several times, while she was talking to Velikanov alone, Pirogov tended to butt in on the conversation. and more or less tried to watch over Velikanov, who is less restrained.
